HONORS AND AWARDS

- **AD-FEISTA** *2024*
  MARUDHAR KESARI JAIN COLLEGE
  ○ Skill development refers to the process of acquiring and enhancing abilities or knowledge in a specific area through training, practice, or education. It plays a key role in improving personal and professional growth, enabling individuals to perform tasks more effectively and adapt to changing environments.

- **SKILL DEVELOPMENT** *2023*
  THIRUVALLUVAR UNIVERSITY
  ○ The award is presented to individuals or organizations who demonstrate exceptional skill, innovation, or impact in a particular field. It serves as a formal recognition of excellence and is often regarded as a benchmark of success in that area.

- **JOIN.SECRETARY** *2023-2024*
  K.M.G. COLLEGE OF ARTS AND SCIENCE
  ○ Department of Computer Application
  ○ Byte Builders Club 2023-2024

LEADERSHIP EXPERIENCE

- **Student Representative** *2022 - 2024*
  K.M.G. COLLEGE OF ARTS AND SCIENCE
  ◦ As a Student Representative for two years, I served as the liaison between students and faculty, advocating for student needs and concerns. My role involved organizing events, gathering feedback, and ensuring that the student body's voice was heard in important decision-making processes. This experience helped me develop strong communication, leadership, and problem-solving skills while fostering a collaborative environment within the academic community.

- **JOIN.SECRETARY** *2023 - 2024*
  K.M.G. COLLEGE OF ARTS AND SCIENCE
  ◦ Joining college security provides an opportunity to contribute to the safety and well-being of the campus community. As part of the security team, you would assist in maintaining a secure environment, supporting students and staff, monitoring entrances, and ensuring adherence to safety protocols. This role allows you to develop awareness of security practices while playing an active role in creating a safe and welcoming atmosphere for everyone on campus

CERTIFICATIONS

- **Python full stack developer** *2024 - 2025*
  accord info matrix
  ◦ A Python Full Stack Developer is skilled in both front-end and back-end development, using Python for server-side logic and working with front-end technologies like HTML, CSS, and JavaScript. The role involves building and maintaining scalable web applications, integrating APIs, managing databases, and ensuring seamless functionality across all layers of the application.

- **honours diploma in computer programme** *2023-2024*
  csc
  ◦ The Honours Diploma in Computer Programming (CSC) provides in-depth knowledge and hands-on experience in computer science concepts, programming languages, and software development. This program focuses on practical skills, particularly in coding, system design, database management, and problem-solving, preparing students for a successful career in the technology field.

- **Kotlin programming** *2023-2024*
  csc
  ◦ Participation refers to the active involvement or engagement in an activity, event, or process. It involves contributing ideas, skills, or efforts to achieve a shared goal, whether in academic, professional, or social settings. Being an active participant helps in learning, collaboration, and fostering a sense of community and responsibility.

- **Type Writing Junior** *2023-2024*
  Department of technical Education chennai
  ◦ Typewriting Junior refers to an entry-level proficiency in typing, focusing on the basics of typing speed, accuracy, and proper hand positioning. This level helps beginners develop foundational skills for effective data entry, transcription, and general computer usage, aiming to improve typing efficiency and minimize errors for more advanced tasks.

- **Telecom Customer Care Executive** *2023-2024*
  national skill development
  ◦ A Telecom Customer Care Executive is responsible for assisting customers with inquiries, resolving issues, and providing information related to telecom services. This role involves handling calls, emails, or chat support, addressing billing concerns, troubleshooting technical problems, and ensuring customer satisfaction by delivering high-quality service and timely solutions. Strong communication and problem-solving skills are essential in this role.
